

**GBCHealth**

Mobilizing Business for a Healthier World

**Brian Leamy**

*Vice President, Membership, Development, & Impact Initiatives, Membership and Advisory Services*

Brian Leamy serves as GBCHealth's Vice President of Membership, Development and Impact Initiatives. In this capacity, he is responsible for maximizing member participation, as well as optimizing the value recognized through membership. Additionally, Leamy manages all fundraising activities and the initiatives and projects associated with member and partner investments.

Prior to GBCHealth, Leamy served as the Executive Vice President of mGive, where he provides the strategic direction and oversees the day-to-day operations of the organization. He has also served as the Executive Vice President for TRUiST, the leading provider of solutions for online employee giving campaigns and volunteerism, where he oversaw sales, marketing and channel partnerships. He was also the Vice President of Enterprise Strategy for United Way Worldwide, where he played an instrumental role in the creation of a global technology solutions provider, United eWay.

Additionally, Leamy spent eight years in professional services as a management consultant with Deloitte Consulting. Leamy holds an MBA from the Wharton School of Business at the University of Pennsylvania. He attended the Stevens Institute of Technology, where he attained an MS in Strategic Management and a Bachelor of Science Degree in Information Systems. He also holds an executive certificate from Georgetown University in International Business Management.
